2015 AGENDA

The Trading Show New York 2015 brought together hedge funds, trading firms, banks, brokers, trading venues, regulatory outfits and financial service providers to discuss the latest in quant, automated trading, exchange technology, big data in finance and HPC.

Industry experts facilitated the discussion at The Trading Show New York. Among them some of the brightest and recognized names within the industry.

Our esteemed speaker lineup includes:

- **Attilio Meucci**, Chief Risk Officer, **KKR**
- **Anthony Vigilante**, Head of Global Information Technology, **MacKay Shields**
- **Antonio Hallak**, Chief Executive Officer, **Sibyl Trading**
- **David Rukshin**, Chief Technology Officer, **WorldQuant**
- **Milind Sharma**, CEO, **QuantZ Capital**
- **Bruno Dupire**, Head of Quantitative Research, **Bloomberg**
- **Alec Schmidt**, Chief Data Officer, **Kensho Finance**
- **Alessio de Longis**, Vice President & Portfolio Manager, **OppenheimerFunds**
